

ICCBB 2017

2017 International Conference on Computational Biology and Bioinformatics
October 18-20, 2017 New Jersey, USA

Call for Papers

❖ Conference Introduction

2017 International Conference on Computational Biology and Bioinformatics (ICCBB 2017) (<http://www.iccbb.org/>) will be held in New Jersey, USA during October 18-20, 2017. It will be co-sponsored by CBEES-Biology and Bioinformatics Society (CBEES-BBS), Hong Kong. The aim and objective of the 2017 International Conference on Computational Biology and Bioinformatics (ICCBB 2017) is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Computational Biology and Bioinformatics.

❖ Important Date

Paper submission (Full Paper) Before July 25, 2017
Notification of acceptance On August 20, 2017

❖ Submission Methods

Please submit your paper to Conference Email Address: iccbb@cbees.net

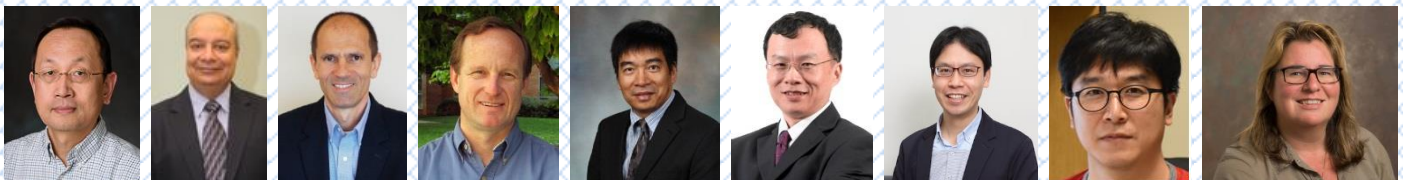

Conference Specialist: Ms. Amy Lee
E-mail: iccbb@cbees.net
Contact Tel: +852-3500-0137 (Hong Kong)

❖ Paper Topics

Topics of interest for submission include, but are not limited to:
Information Technology applications to computational bioengineering
Data management and modelling tools
Computational evolutionary biology
Data acquisition, normalization, analysis and visualization
Algorithms, models, software, and tools in Bioinformatics
Any novel approaches to bioinformatics problems
Gene regulation, expression, identification and network
Protein structure, function and sequence analysis
Protein interactions, docking and function
For more information, please visit <http://www.iccbb.org/cfp.html>.

❖ Good News

1. Prof. Jun F. Liang from Stevens Institute of Technology, New Jersey, USA, Prof. Hesham H. Ali from University of Nebraska at Omaha, USA, Prof. Ovidiu Daescu from The University of Texas at Dallas, USA and Assoc. Prof. David E. Breen from Drexel University, USA will join as Speakers.

2. After a careful reviewing process by at least 2-3 experts, all accepted papers for the ICCBB 2017 will be published in: International Conference Proceedings Series by ACM, which will be archived in the **ACM Digital Library**, and indexed by **Ei Compindex** and submitted to be reviewed by Scopus and Thomson Reuters Conference Proceedings Citation Index (ISI Web of Science), or International Journal of Bioscience, Biochemistry and Bioinformatics (IJBBB, ISSN: 2010-3638).
